INFORMATION LETTER

Dear colleagues!

Organizing Committee of the International Scientific and Practical Conference on the topic: "Scientific - research work in the field of Geoinformatics: current state and prospects" invites you to participate in the conference, which will be held on October 19-20, 2018 at the National University of Uzbekistan.

The conference is for professors, teachers, young scientists, undergraduates, outstanding students and specialists in this field with their scientific researchers and results: presenting inventions and proposals that reflect original ideas with papers relating to the topic of the conference.

Conference topics:

- Geoinformatics in geodetic operations.
- Thematic cartography, web-cartography, mapping services and its applications.
- Cadastral services in the management of natural resources.
- Geoinformatics in environmental protection, rational use and management of land and water resources.
- Application of geoinformation technologies in architecture and construction.
- Geospatial analysis and modeling.
- Processing and analysis of remote sensing data.
- Geoinformation technologies in the education system.
- The role of geoinformation technologies in the Earth sciences.

Requirements to scientific papers:

- The text of the papers to be submitted should be in Uzbek, Russian or English languages, written in the IMRAD structure, with a volume of at least 5 pages (<https://ru.wikipedia.org/wiki/IMRAD>).
- The abstract should be in English languages.
- Keywords (at least 5 words) should be in English languages.
- It is mandatory to quote all the used literature and sources.
- The text should be in the Microsoft Word (*.doc., *.docx) format (Times New Roman, 14 font, 1.5 intervals). The numbering of sources in the text are given in accordance with the references to them. Links in the text are indicated in square brackets [p. 1,2]. Images are prepared in color or black and white.
- The authors are personally responsible for the reliability of the information provided in the papers.
- Materials of the conference are printed in the Bulletin of the Geographical Society of Uzbekistan.

Important dates

August 10, 2018: Deadline for Abstract submission

September 20, 2018: Deadline for Paper submission

Sample of the text of the paper

GEOPHYSICAL ANALYSIS AND SIMULATION.

Prenov. Sh. M. (14 font)

National University of Uzbekistan, Faculty of Geography and Natural Resources, Tashkent, Uzbekistan.
